RIDER – PURCHASED WATER ADJUSTMENT

Any customers of Childersburg Water, Sewer and Gas Board (CWS&GB) who purchases water from CWS&GB that originates from a source other than CWS&GB's own production facilities may be subject to a Purchased Water Adjustment. This rider will be equal to the difference in the cost to purchase water from an alternative source and CWS&GB's cost of production. This cost of production will be determined by CWS&GB.

TEMPORARY FIRE HYDRANT CONNECTION

Any customer requesting a temporary connection to a fire hydrant must first obtain approval from the Childersburg Water, Sewer and Gas Board. In addition, customers will be required to pay a \$45.00 connection fee and \$3.75 per thousand gallons consumed. The Board makes no guarantee that use of a hydrant will be granted and such requests will be evaluated on a case-by-case basis.

MULTIPLE USERS ON SINGLE METER

In the case of multiple users on single meter, then the equivalent minimum charge will be charged for each end user.
